**Re:** Shamrock Shuttle 2012

To Whom it May Concern:

The 2012 Shamrock Shuttle is quickly approaching and we want to continue to work with you and make sure that this event is fun, safe, profitable, and respectful to the people who live here. Last year was a huge step forward and look forward to continuing a strong working relationship. Together we can make sure that not only is this a great event, but it can work, we could offer other similar events to take place throughout the year as well which would be a win for everyone.

With respect to last year's Shuttle, we felt that we fell a little short on some things that we would like to better address this year, such as:

1. Porta Potties
2. Event Security
3. Litter
4. Cops
5. Rules
6. Drinks and Parking

1. **PortaPotties** – The largest issue outside of crowds is public urination. One way to curb this in addition to security is to rent PortaPotties. We have secured a deal for PortaPotties from Mr. John for Seventy Five (\$75) Dollars per unit. They would need to speak to Regine Duncan, reference that they were referred by Lisa Greco from Bella Lisa Hair Studio. Regine Duncan, Customer Care Representative, Mr. John Company 800 628 8955 Ext. 2443, Direct: 732-682-2441, Fax: 732-612-0367, [rduncan@mrjohn.com](mailto:rduncan@mrjohn.com) We estimate that we would need roughly 74 PortaPotties:

### o Suggested Locations for PortaPotties

- Four (4) at McDonald's
- Four (4) at Hammerheads
- Four (4) at Casper's
- Four (4) at Reale's
- Four (4) at Christy's (Should they participate)
